30th Anniversary Jack and Ken's Ale	<u>Barleywine</u>	10.2%	Jack McAulife is the original microbrewer. McAulife's tiny New Albion Brewery in Sonoma, California inspired countless brewers to start small-scale breweries of their own. Jack agreed to guest brew this very special ale with us in honor of our 30th anniversary. This American barleywine is a nod to the big ales New Albion served at their legendary summer solstice parties. It is robust and complex - brewed with 100% American Cascade hops.

Hoptimum	<u>Double IPA</u>	10.4%	<p>A group of hop-heads and publicans challenged our Beer Camp brewers to push the extremes of whole-cone hop brewing. The result is this: a 100 IBU, whole-cone hurricane of flavor. Simply put —Hoptimum: the biggest whole-cone IPA we have ever produced. Aggressively hopped, dry-hopped, AND torpedoed with our exclusive new hop varieties for ultra-intense flavors and aromas.</p> <p>Resinous "new-school" and exclusive hop varieties carry the bold and aromatic nose. The flavor follows the aroma with layers of aggressive hoppiness, featuring notes of grapefruit rind, rose, lilac, cedar, and tropical fruit—all culminating in a dry and lasting finish.</p>
Ovila	<u>Saison</u>	7.5%	<p>For centuries, the monastic tradition has followed the rule of St. Benedict - Ora et Labora (prayer and work). This Saison farmhouse ale is in honor of the noble labor in which the monks engage. Hazy blonde in color, these rustics ales are designed to be complex and contemplative but also refreshing and drinkable after a day in the fields. With earthy and spicy aromas this Saison has notes of green grass, and a faint citrus tang. The body is light and layered with fruit and spice accents and a dry, peppery, and refreshing finish. Released June 2011.</p> <p>FYI - Pronounced Oh-Vih-La!</p>
Southern Hemisphere Harvest Ale	<u>American IPA</u>	6.7%	<p>Our newest addition to our Harvest family is Southern Hemisphere Harvest. This is the first time we know of that an American brewer has put out a beer with fresh-picked hops from the southern hemisphere. The inaugural ale will debut in late April and will feature fresh Pacific Hallertau, New Zealand Motueka and New Zealand Southern Cross hops, all from New Zealand.</p> <p>Like our Celebration Ale, the fresh hops in this beer are dried right after being picked then shipped immediately to Chico for brewing so that they retain their peak aromatics and flavors. To ensure the freshest hops possible, we went to the added expense of flying these hops from New Zealand to Chico so we could brew with them the week after they were picked.</p>
Hop Smack Double Black Pale Ale	<u>Black IPA</u> <u>Pale Ale</u>	8.1% 5.6%	<p>Still searching for a description! This must be one rare craft.</p> <p>Our most popular beer, Sierra Nevada Pale Ale, is a delightful interpretation of a classic style. It has a deep amber color and an exceptionally full-bodied, complex character. Generous quantities of premium Cascade hops give the Pale Ale its fragrant bouquet and spicy flavor.</p> <p>"Sierra Nevada Pale Ale is the flagship beer, the one that made Chico famous. It is a flawless beer that opens with bright, perky high notes of maltiness and orange blossom and segues into a delectable hoppiness."</p>
